

# **COPYRIGHT—USE OF CONTENT**

Access to and use of text, artwork, photographs and other files on the Site are subject to the following terms and conditions:

## **All Content on the Site is Protected by Copyright Laws**

The Site, and all materials contained within the Site, including images and text, are protected by copyright, trademark and other laws and may be covered by other restrictions as well. Ie-Ming Shih owns all rights in the Site and the materials contained within the Site. Copying and distribution of any protected materials on the Site, except for the purposes of fair use as defined in the copyright laws is prohibited. Fair use of copyrighted material includes the use of protected materials for noncommercial educational purposes, such as teaching, scholarship, research, criticism, commentary, and news reporting, so long as one does not use more than one need for the permitted purpose and one does not interfere with an established market for licensing the material. Unless otherwise noted, users who wish to download or print any text or image files from the Site for such uses are welcome to do so without the express permission but appropriate acknowledgement during presentations/talks in conferences, seminars and class rooms is highly encouraged. Users must cite the author and source of this material as they would material from any printed work; the citation should include the name of the investigator and the URL.

A fair use analysis depends on individual facts. By downloading, printing, or otherwise using content from the Site, users agree that they will limit their use of the protected materials to fair use, will not violate the proprietary rights, and will be solely responsible for any violation.

Commercial Use is Prohibited. The content of the Site should be only restricted to the use of education and research rather than be used for clinical management purposes.

Unauthorized commercial exploitation of protected materials is specifically prohibited. Anyone wishing to use any of files or images contained in the Site for commercial use or any purpose other than fair use as defined by the copyright laws, must request and receive prior written permission. All requests for permission to reproduce protected materials for commercial use should be addressed directly to Ie-Ming Shih (shihie@yahoo.com).
